Please describe a summary of work undertaken by the SAC to improve student achievement and school performance.

We collected feedback from staff and connected it directly to the SSP Goals (Well Being, Literacy and Mathematics).

Please list any significant milestones and success stories that the SAC would like to highlight.

We participated in the first SAC Annual Conference Day. We ensured that the school had access to engaging mentor texts to support Readers and Writer's Workshop. We have established a collaborative and inclusive space that has supported positive conversations at SAC.

Please describe any related sub-committee work undertaken by SAC members (e.g., School Options Committee).

We attend the boundary review for the changes to the high school that our school will be feeding into for 2025-2026.

Statements of Revenues and Expenditures:

Expenditures supporting the school improvement plan (e.g., providing resources to support math and literacy instruction).
